

DANCE BAG FOR NUTCRACKER

Each dancer should have their own dance bag and the Bag should be labeled. Each year we end up with a large lost and found so dancers should keep all their belongings in their bag.

YOUR DANCER'S BAG SHOULD CONTAIN (AND ALL OF THESE ITEMS NEED TO BE LABELED):

- For makeup call, bring a bathrobe, zip up hoodie, or an old over-sized button-down shirt that opens in the front. This will help keep their leotards etc. clean
- Unscented baby wipes to remove make-up. You will need more than you think. (PONDS cold cream works the best for Buffoons and Soldiers and Clowns!!)
- Kleenex
- Mirror
- Safety pins, needle, thread, scissors
- Bobbie pins, hair pins, and hair nets to match hair color – hairspray, hair gel, comb and brush.
- Deodorant (antiperspirant is not allowed, as it stains the costumes)
- Hand Sanitizer
- Face Mask
- Ballet shoes as required for dance
- Clean tights and socks as required for their dance
- Quiet book, game, and/or cards. No electronic devices are allowed.
- Weber State University is not responsible for the loss of small electronics or phones.
- BOTTLED WATER FOR DRINKING....Only water allowed. No food or candy allowed in Dressing Rooms PLEASE
- Check Hair and Makeup requirements for each dance and make sure that your dancer has what she needs and comes prepared
