In order for the photographer and committees to stay on schedule it is **important that dancers arrive ON TIME** for their assigned time. Go directly to Studio D to check-in. Plan on 1.5 hours for dancers to be costumed and photographed, although actual time will depend on the group size and costuming. **Remember: NO blue eye shadow!!**

* **Make up committee will be there to assist.**

****Clara & Party Girls:** remove curlers immediately before coming, but **DO NOT comb out hair and DO NOT hairspray.** Protect hair with a net to get to studio. Remember to put curlers in the night before after hair is washed **and** dried. **Rolling wet hair does not work.**

*****Angels:** leave curlers in for your rehearsal and the hair committee will assist in taking them out before your photo. Wear a net to rehearsal to protect the hair. Remember to put curlers in the night before after hair is washed **and** dried. **Rolling wet hair does not work.** Also, please bring a ziplock bag with your name on it for your curlers.

******Party Boys** - please wear black socks and black shoes

*******Mice/Mouse King** - Girls can wear hair down and curled. Hair does not need to be in bun for pictures.
